Who we are?

PrintMPS offers product and services for Printers, toners since early 2017. Our dedicated team has over 10 years experience in the local market. we service and we deliver all across UAE.

Our toner cartridges are of high quality and reliable are compatible with major manufacturers such as Brother, Canon, Fuji Xerox, HP, Kyocera, Ricoh, and Samsung.

We know about the market of toner cartridges. We want to help businesses and home users to print significantly cheaper, which translates to providing them the cheapest toner cartridges in UAE

About Us

Al Zayed Technologies is an offshot after deep experience and expertise in the UAE market offering end to end IT products and solution.

AZT LLC offers deep expertise in providing product and services under one roof thereby offering the clients better services and SLA. We believe that IT is a service and our clients satisfaction is the most important thing.

We conceptualized and rebranded Printing needs of SMB and enterprises under "**PrintMPS**". This helps us build better contracts and service SLA's to focus only on managing, securing and delivering print services.
